2nd MEGA CLIMA KENYA

NEW GATEWAY FOR COOLING WITH AFRICA!

MEGA CLIMA KENYA is HVAC+R industry exhibition which will be organized by Elan Expo will take place on 30 March 1 April 2023 at Sarit Expo Centre at Nairobi, Kenya.

EAST AFRICA – ONE OF THE LARGEST COMMERCIAL MARKETS

East Africa is one of the largest commercial markets for refrigeration and air conditioning units. Rising population, developments in the residential markets, growing commercial and industrial units makes East Africa market more preferable for the HVAC products. Kenya imported \$48 million worth of units last year, up from \$11.9 million 10 years ago. Kenya has in the past few years experienced a property boom with contractors taking advantage of the vertical space for more returns from commercial and residential commercialization leading to demand of single unit air conditioners and chillers as opposed to several units.

Mega Clima Kenya is more than just an exhibition; face to face meetings provide to connection that not possible to reach on the internet or over the phone. The exhibition for HVAC&R will provide networks with engineers, contractors and HVAC+R industry professionals; there are unmissable opportunities to do business and discover new technologies. These exhibitions will give chances to collaborate between local and global HVAC+R sector players from all around the World.

Mega Clima East Africa offers well-rounded product range; Air Conditioner Units, Fans, Fan Coils, Recuperators, Air Filters, Air Ducts, Heat Pumps, Burners Boilers, Interior Heaters, Wall Hung Boilers, Alternative & Renewable Energy, Hot Water Heaters, Stoves Electric Heaters, Chillers- Cooling Towers, Close-circuit Liquid Refrigeration Systems, Cold Rooms, Refrigeration Compressors, Refrigeration Components, Installation Components, LPG and ING systems, Radiators, Pipes Valves, Pumps, Boosters, Installation Armatures, Water Counters, Fittings Storages, and Fire Installation Components.

AFRICA WILL COOL OF WITH MEGA CLIMA

The General Manager of ELAN EXPO Mr. Suer AY expresses their success "After the successful years with ELAN EXPO's experience in HVAC+R sector, and lengthy discussions with the industry regarding the need for a focused HVAC+R event in Nairobi- Kenya, we have responded and will launch **Mega Clima Kenya**. Kenya is a major communications and logistics hub, with an important Indian Ocean port and strategic land borders with Ethiopia, South Sudan, Uganda, Tanzania, and Somalia. Kenya has been described as "the cradle of humanity", and also Nairobi is East Africa's capital and main financial hub will provide the perfect platform to take the event to a higher level.

Mega Clima Kenya, will be the most comprehensive air-conditioning systems exhibition in the East African region prepares to bring national and international brands together. **Mega Clima** welcomes HVAC+R professionals serving commercial, industrial, residential and institutional markets. In our previous HVAC Expos - **Mega Clima Nigeria**, **Mega Clima Iraq** and **Mega Clima Algeria**, manufacturers from all over the world exhibited their systems, equipment, and components with air-conditioning, heating, plumbing, ventilation, and

refrigeration applications. Thousands of contractors, engineers, OEMs, distributors and other industry professionals attend the exhibitions in search of new products and services.

The 2019 edition of the Mega Clima Kenya was hosted **56 exhibitors** and **3,200 visitors** from **8 countries; Turkey, Kenya, Egypt, United Arab Emirates, China, Italy, Bahrain and India** with the co-organized event Werpex. The exhibitors showed up their 95 brands on the exhibition such as MAS-DAF, Termokon from Turkey; BAC SRL from Italy; Edgetech from India; Carrier, Clima UNO from UAE; North Star Cooling, Lecol, Bosch, DST and more from Kenya.

In **MEGA CLIMA KENYA, KENYA-NAIROBI** will prove to be an exhibition in which we will bring together international participants and visitors from all around the World.
